Report of Principal and School Improvement Council

During the 2009-2010 school year, McCormick Middle School continued to focus on building positive relationships with increased student success as our goal. These relationships have included the faculty, staff, students, parents, and the McCormick community working together for this common goal. McCormick Middle School continues to have high parental attendance at the First Day of School America, Parent-Teacher Organization sponsored activities such as the 2nd Annual MMS Pageant, Family Unity night, and the end-of-the-year Family Fun Day. Administrators and teachers visited students' homes to further strengthen the bond between school and home. Parents and community members assisted our school as volunteers, tutors, School Improvement Council members, classroom speakers, job shadow sponsors, and the school career fair. Service learning was strengthened this year with our "Adopt a Grandparent" through the local nursing home facility and coin collection for Haiti relief.

Our students have experienced growth in all areas of the curriculum. Twenty-nine percent of our students improved in all four areas of MAP (Measures of Academic Progress) testing. Of the many schools using the Classworks program, our students were one of two schools who were recognized as having 90% mastery. Twenty-two percent of the school population earned an incentive trip to Washington, D.C. for good grades and no discipline referrals for the entire year. Seven percent earned yearly perfect attendance in spite of the swine flu epidemic. One hundred percent of our students participated in career activities or job shadowing outside the school setting.

Our teachers have attended staff development to enhance their personal teaching skills and to assist them as they strive to meet the individual needs of each learner. Training has included the Strategic Instructional Model, Project Learning Tree, rubric writing, SMART board training, addressing struggling learners, teaching and assessing standards, and writing test questions to support standards.

Our school has enhanced the technology for all students with additional classroom SMART Boards and the Classworks program. Our school continues to use a full-time Academy of Reading and Academy of Math lab and Study Island. The STARS after-school program and additional supplemental services are offered to students to accelerate academic development.

As outlined, the education of our students is a concerted group effort. While we are not where we want to be when judged by state standardized tests, we are making progress toward our goal with the combined efforts of our district, school, students, parents, and community. The relationships we build will move us toward the educational goals we desire for our students.

Mrs. Gena K. Wideman, Interim Principal

Mrs. Lisa Malone, School Improvement Council Chair

School Adequate Yearly Progress YES

This school met 13 out of 13 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

School Improvement Key

NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
